

Academy of Performing Arts
P O Box 1843
120 Main St.
Orleans, Ma. 02653

Through the generosity of the Community Preservation Committee and endorsed by Town Meeting, the Academy of Performing Arts has been able to do a full exterior restoration of the theater located in the former 1873 Orleans Town Hall. This has included: restoration of windows, new siding and painting, roof repairs, and replacement of the fire escape and handicapped ramp.

Utilizing un-obligated funds approved by the Orleans Historical Commission and CPC we are now able to replace historically correct shutters on the front of the building for \$8860.00. The Academy is seeking an additional \$7000.00 along with the un-obligated balance of \$4594.33 to add remaining shutters to the east side of the building. These have been documented in early pictures of the building previously submitted. Completion of this project, as requested, will highlight the building and complement the work previously completed.
