RE: Orleans Walking Trails Guide CPC Application

Dear Members of the Community Preservation Committee,

At their regularly scheduled meeting on December 2, 2025, the Orleans Conservation Commission voted unanimously to support the application by the Orleans Conservation Trust to update the Orleans Walking Trail Guides. To further emphasize their support, the Commission voted unanimously to request the CPC allow them to be added as a co-applicant of the CPC request.

The Commission highlighted the popularity of the current trail map guide; conservation land acquisitions since the original guide was produced; and recent updates to trail layouts at popular conservation properties as reasons to support this CPC application.

Sincerely, 

Drusy Henson
Orleans Conservation Commission Chair
