9	It could be that one building isn't the answer. Perhaps the town acquire the Santander building which has alot of parking, and that becomes the performance space, art space, classroom space etc. (like Yarmouth Cultural Center) and a smaller building is built further away such as the old Masonic lodge or the Odd Fellows hall where there would be parking plus room for a pool, etc.	5/3/2022 12:03 PM

1	As noted previously, do please consider a new community center in combination with existing community spaces that do work well for us and PLEASE proceed with the renovation of the Old Firehouse at Parish Park it is a gem right in the center of Town! PLEASE do this.	5/20/2022 2:58 PM

9	A community center is very important to provide connection for the people and families that live here year round.	5/9/2022 9:36 AM
10	I do think it's incumbent upon the town to look into underused spaces that may be up for sale in the future. We need to approach the Odd Fellows as well as Santander, both of which have fabulous buildings that already blend into the fabric of the town. I also think the Masonic lodge is a great option for renovation and expansion. One last possibility would be to candidly approach the Snow family and ask if they would sell some or all of their downtown commercial space. It's huge, underutilized and the store is clearly searching for a new direction. It may sadly be time to pass the torch to better uses. The SNOW Community Center!	5/3/2022 12:09 PM
11	Gyms on cape cod are prohibitively expensive. We need a community alternative with a year round indoor pool such as they have in Harwich. The best exercise for our older population is water-based and a pool would enhance general community health and would be a bonus for families with kids who could get exercise in the winter and get away from the crowds in the summer	5/3/2022 8:33 AM
12	Don't waste time or money planning. Funding will not make it through town meeting. We have too many other priorities that need to be funded. We need to use what we have better. Not add expense and increase taxes.	5/2/2022 9:48 PM
13	It's a terrible idea .The age group in this town does not reflect in the amount of money and the costly purchases of more property It's time to remind yourself that not everyone can't afford all the \$\$\$ related to costly property taxes for working people like mem	5/2/2022 5:22 PM

14	I don't understand why a community with a high age population of over 70's, 80's, 90's doesn't have more public transportation options. Less cars on the road, more bike and walking lanes. I understand we need cars in Orleans to drive to neighboring towns to use community centers. Would be nice to stay in Orleans.	4/28/2022 4:22 PM
15	The community center should be located near and easily accessible to affordable housing units.	4/28/2022 12:30 PM
16	I truly believe that our community needs something like this. To go to a neighboring town to use their facilities is a detriment to Orleans, Our children, teens, young adults need a place to go and thrive. Something other than electronics!! More interaction with others and physical activity.	4/28/2022 7:14 AM
17	there should be an effort to use the buildings we have better - to partner with surrounding towns on similar efforts - and every effort should be made to ensure our taxes do not go up for this endeavor. we don't need a community center. utilize what we have better ... adding more overhead instead of maximizing use of current resources is a waste of time/money.	4/27/2022 5:02 PM
18	location needs to be right and year round swimming pool a must	4/27/2022 4:00 PM
19	A community center is unnecessary and if built would increase property taxes at a time when property taxes are rapidly growing. It is very expensive to live in Orleans and building a community center would make it worse.	4/27/2022 8:40 AM
20	Thank you for considering this study and the possibility of a community center!	4/27/2022 7:22 AM
21	This town has spent million's on police, fire and dpw. It's is almost impossible for young families to afford to live here. Why are there do many police vehicles parked outside the new station 24 hours per day? Why do we have two police motorcycles? Why is it that the police and fire departments are not involved in ours schools more? I guess having a Color Guard in the parade on the 4th is more important.	4/27/2022 3:10 AM
22	Let's explore this!	4/26/2022 6:56 PM
23	I just think Orleans needs to give their youth/teens a place where they can do something healthy. Having a community center invites kids to gather and form healthy habits together. Playing games, exercising, etc.	4/26/2022 12:20 PM
24	Please consider a regional partnership with Brewster and YMCA for a regional facility at the Sea Camps	4/26/2022 8:32 AM
25	Orleans needs a welcoming community center for all ages. Other surrounding towns have facilities like this and we should also.	4/25/2022 6:44 PM
26	The COA has their own build that is age restricted. This community center can work with a new library with enhanced space, help the COA with their space needs, and offer the Recreation Program their first real home. We need to think about all generations and keeping our families here. A community Center would help a lot!	4/25/2022 5:13 PM
27	I think Orleans has more important priorities - like the sewer and housing. A community center and a new library can wait	4/25/2022 4:04 PM
28	Would like to see a regional community center, ideally in center of Town (post office square) or use repurpose old firehouse if new one is built add pool etc.	4/25/2022 3:28 PM
