10	I do not want my taxes to go up for a community center	4/27/2022 4:59 PM
11	Basketball court	4/26/2022 8:21 PM
12	I think Orleans needs to recognize we already have a large park and numerous swimming opportunities. We need a big gym, a large event room, a medium room, some exercise equipment, bathrooms and lockers, a kitchen, and a lobby. Not huge but just right.	4/25/2022 5:10 PM

9	again, I don't have any intention of supporting a community center.	4/27/2022 5:00 PM
10	I would go to the Governor Pence motel location. The town already bought that pieces of property.	4/27/2022 3:33 PM
11	It needs to be in close proximity to the middle school	4/26/2022 8:23 PM
12	Turn the old Fire Dept (when they move out) into a community center. Either rehab it or demolish it but the physical spot is key.	4/25/2022 5:11 PM

1	My taxes just went up over \$1000 to pay for a sewer that is necessary but that will not help my septic and some ill defined " computer upgrade".Not interested in higher taxes to pay for something only a few people will use	5/21/2022 8:42 AM
2	Orleans really needs a community center! No pool, no spaces already provided in other areas of town. A gym, medium sized room, a few small rooms, locker rooms and bathrooms and a big foyer.	5/12/2022 3:04 PM
3	Please schedule public forums for the evenings after working adults get home. Preferably between 5 and 6 PM. Many working parents cannot attend these meetings unless they are in real estate or have their own businesses, which excludes a lot of us	5/11/2022 12:14 PM
4	this town needs to stop driving out the younger people/ families or else there will be no one left to take care of the older people, or work.	5/10/2022 7:56 PM
5	The youth of this town has always and will continue to require more positive options until we are willing to dedicate the funds to support their development in this community.	5/10/2022 11:16 AM
6	Don't let the second homeowners and retirees bulldoze this opportunity because it doesn't fit with their nostalgic view of Cape Cod from 50 years ago. That view and strict focus on tourism dollars is killing the town. You need something to attract young families to the area year round. This and affordable housing will be a cornerstone to progress in Orleans.	5/9/2022 12:35 PM
7	A community center is very important to provide connection for the people and families that live here year round.	5/9/2022 9:36 AM
8	Na	5/7/2022 7:02 AM
9	Perhaps consider putting a childcare -preschool center into the building along with after school classes.	5/6/2022 11:53 AM
10	I think this is a wonderful idea for the town of Orleans!	5/6/2022 9:37 AM
11	I would love to see more places in town where kids could go to play safely	5/4/2022 5:05 PM
12	Please keep going! Our kids and year round community need this!	5/3/2022 6:56 AM
13	there should be an effort to use the buildings we have better - to partner with surrounding towns on similar efforts - and every effort should be made to ensure our taxes do not go up for this endeavor. we don't need a community center. utilize what we have better ... adding more overhead instead of maximizing use of current resources is a waste of time/money.	4/27/2022 5:02 PM
14	location needs to be right and year round swimming pool a must	4/27/2022 4:00 PM
15	This is a very expensive endeavor for something the town doesn't really need. The town is spending way to much money now. The projects that are currently underway or in the pipeline are already more expensive than planned for and now the taxpayers are stuck paying for the additional expenses.	4/27/2022 3:35 PM

16	This facility would be so great and appreciated by so many.	4/27/2022 1:10 PM
17	I just think Orleans needs to give their youth/teens a place where they can do something healthy. Having a community center invites kids to gather and form healthy habits together. Playing games, exercising, etc.	4/26/2022 12:20 PM
18	Orleans needs a welcoming community center for all ages. Other surrounding towns have facilities like this and we should also.	4/25/2022 6:44 PM
19	The COA has their own build that is age restricted. This community center can work with a new library with enhanced space, help the COA with their space needs, and offer the Recreation Program their first real home. We need to think about all generations and keeping our families here. A community Center would help a lot!	4/25/2022 5:13 PM
20	I think Orleans has more important priorities - like the sewer and housing. A community center and a new library can wait	4/25/2022 4:04 PM
