

# LOWER CAPE

Community Health Needs Assessment

# SURVEY

Do you have thoughts about healthcare on Lower Cape Cod?

Do you have ideas about your community's health?

Are there community services that would make your life easier?

Do you have daily struggles that impact your wellbeing?

# Scan me!

The Barnstable County Department of Health and Environment and the local health departments in **Brewster, Chatham, Harwich, and Orleans** are conducting a community health needs assessment of the towns on the Lower Cape. We want to learn more about the community health and issues that need more focus and attention.

Survey available in English, Spanish, Portuguese, and Haitian Creole.

## YOUR VOICE MATTERS!

Please take this short survey if you live or work in or around the Lower Cape community.
