Good afternoon,

I am writing in support of the proposed project to improve the existing playground in Orleans near Eldredge Park. I've been a resident of Orleans for 40 years and my kids (now in their 30s) all grew up in Orleans. Now my grandkids come to town to visit from Wheaton Illinois it is borderline embarrassing the facilities that we have for young families, as well as old, from an outdoor recreation standpoint.

How can we claim to want young families to move to our town and yet have woeful facilities to help them live healthy outdoor lives? It makes no sense. This also applies to our older residents as well. I go to Harwich and other area towns to play Pickleball and come home to my own town and shake my head. How is this possible?

This has been a need that has been kicked down the road for too long and now is the time to address it. This project has me and my wife Leslie Botsford's full support.

Thanks for your hard work and I look forward to a soon to be future grand opening for these facilities!
