Dear CPC,

We are writing to give our vigorous support for CPC funding of the Eldredge Park Project. Each aspect of the project has been requested by citizens over several years. Townspeople have been surveyed with the CROS plan (Conservation Recreation and Open Space) multiple times in the past 30 years and by the Recreation Advisory Committee in 2019.

People have been asking for a basketball courts, more courts for tennis and pickleball, improvement of the track (Cecil remembers when it was created in 1961!), for recreation space for all generations.

This unified plan has been in the making for several years, with very thoughtful input by multiple parties.

It's time has come. Let's "Get 'er done"!

Sincerely,

Anne Sigsbee
