You don't often get email from ptonrms@gmail.com. [Learn why this is important](#)

The NRMS PTO's mission is, in part, "to enhance and support the educational experience at Nauset Regional Middle School." For this core reason, the NRMS PTO Board voices its support of the Eldredge Park Renovation Plan.

The educational experience includes the opportunity to participate in outdoor recreation where NRMS students can play, meet and have fun in an environment that is safe and only steps away from the center of their academic life. We are thrilled to see the community make such an investment in the health and well being of the kids and the community.

It's not just the middle schoolers that will benefit. It's their younger brothers and sisters who will soon join NRMS. It's their friends and neighbors that do morning exercises or play pickleball. It's the summer crowd, including the "Just Try It" camp kids, that will have yet another reason to come and enjoy Cape Cod and Orleans.

The NRMS PTO has a bold vision of supporting the middle school community and beyond through our recently achieved non-profit status. We want to help students and their families have educational and enriching experiences off campus, and to feel proud and grateful when they return. The NRMS PTO Board and I share the community's goals of making Eldredge Park a vital part of town and give our full endorsement of this project.

Thank you,

A.J. McHugh
NRMS PTO President
