To the Orleans CPC:

Part of the Orleans Elementary School Parent Teacher Committee's mission is to support Orleans Elementary School students and the broader OES Community.

As part of this mission, we believe all kids living in and visiting Orleans deserve to:

- have access to the outdoors
- be as healthy as possible, including learning the value of physical activity
- have safe places to play run, jump and play outside, day or night
- live in a town that values them and invests in their health, safety, welfare and joy

We also believe the renovated Eldredge Park will be yet another reason for families to visit Orleans, year-round — and support our beloved local businesses while they're here.

For these reasons, we heartily support the Renovations at Eldredge Park and very much hope to see the project move forward. Thanks for all your work toward this goal.

Sincerely,
Emily Miller
OES PTC Board Chair
